

In light of the upcoming "localism in broadcasting" hearing to be held in San Antonio on 28 January 2004, I would like to express my gratitude to the management and employees of San Antonio's KENS5 television station.

I have worked with KENS5 for several years and they have always displayed a deep commitment to the people of San Antonio. Whether their station is airing public service announcements, promoting The Salvation Army's Annual Ring-in-a-Miracle Campaign or supporting The Salvation Army's Boys & Girls Clubs, KENS5 is helping to improve the San Antonio community.

Without the help of these KENS5, The Salvation Army would not be able to continue to educate the public to the needs of the San Antonio community and provide necessary services. They continue to provide a valuable and needed service to this community.

During this upcoming hearing, KENS5 television should be recognized for offering San Antonio top quality programming, entertainment and news, but most importantly their dedication to our local community.

Sincerely,

Sara L. Kirby
